School in the Wild
Season 3

Hello ☆ everyone! It's everyone's favorite cutie-patootie, Binukki!
Cutesy
Cutesy
I'm wearing this hood on my head for no reason at all.
It's Mwng-Mwng! Bung-Bung~♪ Bee Boom
(TN: BUNG BUNG IS JUST A CUTESY SOUND IN KOREAN.)

CTH: SHE'S PUNISHED FOR ACTING CUTESY/GROSS)

Anyway, once again I finished another season. From August of last year to the first week of January, it's been about half a year.

Look at how many short stories I did in half a year.

Every Sunday, while everone was enjoyably making their Jjapaghetti, I was at the peak levels of stress

CTN: JJAPAGHETTI IS THE INSTANT VERSION OF JJAJANGMYEON OR BLACK BEAN NOODLES

UWAAAH~!! I DIDN'T DO MY VERY BEST!!

And in the middle of this all I want to do is eat some chicken. Im disgusted with myself!! Im down for pizza too

And I get fatter and fatter and fatter again~

In this world, all artists are never 100% satisfied with their work. But my case is pretty toxic. I always seem to be ashamed of my works.

What's the name of your comic again?

Where have you been?

Go get married.

Ramen Head Squad

CTN: MIDDLE AGED LADIES (AJUMMAS) HERE ARE BEING CALLED 'RAMEN HEADS' BECAUSE A LOT OF MIDDLE AGED WOMEN IN KOREA GET SHORT PERMS WHEN THEY ARE OLDER AND IT LOOKS LIKE RAMEN.)

And recently the number of

sincere comments have decreased.

Anyway,

as Season 3 was coming to an end,

I suddenly had this thought.

When this

story ends,

Daram,

Neukdae,

At the beginning, Nuekdae's hair was black.

Ohri,

the Wolf Sisters,

everyone will also come to an end.

It's an embarrassing thought,

but the fact is although they are pictures in a monitor,

they each are "alive" and have their own personalities

Even if my stories are bad or good,

they live within it

I'll be extremely sad

when we have to separate

But, after School in the Wild ends,

maybe some of you will feel

a sense of longing towards these guys

That's the whole reason this manhwa exists

That's what I wish

for these characters

For those you who loved
School in the Wild,

you have my gratitude.
